# Toilet Seat Size Chart

Measure the old seat from the centers of its bolt holes to its front edge.

| SEAT | BOLT HOLES APART | BOLT HOLES TO FRONT | LENGTH | WIDTH |
|---|---|---|---|---|
| **Round (Bemis 500EC)** | 5-1/2" | 15-7/16" | 16-7/8" | 14-3/8" |
| **Elongated (Bemis 1500EC)** | 5-1/2" | 17-7/16" | 18-7/8" | 14-1/8" |

Measure between the centers of the bolt holes, then the old seat from its bolt holes to its front edge.

Compact elongated bowls fit the space of a round bowl, so measure rather than judge by the room.

Bemis Universal Fit adjusts to standard round and elongated bowls.

American Standard Cadet 3: 5345.110 round front, 5350.110 elongated; bolts, nuts and washers included.
